## Summary

When the facts don't add up in his surf buddy's bizarre death, forensic consultant (and daddy-to-be) Thaddeus Hanlon investigates, volunteering to go undercover to pick up where best friend Rafi Silva left off in a secret probe of the U.S. gold stockpile—every last bullion bar.

Rafi's spunky fiancée, Bri de la Guerra, has suspicions of her own and soon joins Thad on the hunt for answers. Together, the two amateur sleuths delve deep, stumbling onto a financial a-stock-ocalypse in the making, triggering a brutal manhunt along the Eastern seaboard meant to silence anyone looking to set the ledger straight.
